(c) the details of power sector PSUs that would be benefited from the above?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) to (c) As per the existing delegation of powers applicable to Navaratna Companies including NTPC Ltd., the ceiling on equity investment to establish financial joint ventures and wholly owned subsidiaries in India or abroad shall be 15% of the net worth of the Public Sector Enterprise(PSE) in one project limited to Rs. 1000 crore and the overall ceiling on such investment in all projects put together shall be 30% of the net worth of the PSE. NTPC Ltd. had approached Ministry of Power for waiver of ceiling of Rs. 1000 crore for equity investment by NTPC Ltd. to establish financial joint venture for the purpose of participating in the bidding of Ultra Mega Projects being established at the initiative of Ministry of Power. Government had approved the proposal of waiver of ceiling of Rs. 1000 crores for equity investments by NTPC Ltd. to establish financial joint ventures and wholly owned subsidiaries in India or abroad for the purpose of participating in the bidding of ultra mega projects. However, the ceiling of 15% of the net worth of NTPC in one project and the overall ceiling of 30% of the net worth of the NTPC Ltd. in all such projects of NTPC Ltd. put together shall remain.

Additional power generation targets

†858. DR. MURLI MANOHAR JOSHI:
SHRI RAJ MOHINDER SINGH MAJITHA:

Will the Minister of POWER be pleased to state:

(a) whether it is a fact that 78,577 megawatt additional power production capacity is targeted to be created in the country during the Eleventh Five Year Plan;

(b) if not, the facts in this regard;

(c) whether the responsibility for electricity generation of 14 per cent under this target has been entrusted to the private sector;

(d) if so, the facts in this regard; and

(e) the number of projects, along with their generation capacity selected so far for the private sector?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) and (b) Yes, Sir. A capacity addition of 78,577 MW has been proposed during the Eleventh Five year plan.

(c) and (d) The proposed capacity addition of 78,577 MW during the Eleventh Plan includes 10,760 MW capacity addition in the private sector, which is 13.7 % of the proposed capacity addition during the Eleventh plan.

(e) Details of projects in Private Sector expected to give benefits during Eleventh plan, totalling to 10,760 MW, along with their generation capacity are enclosed as the Statement.

†Original notice of the question was received in Hindi.

Statement

List of Private sector projects proposed expected to give benefits during Eleventh Plan.

Constitution of National Power Project Management Board

†859. DR. MURLI MANOHAR JOSHI:
SHRI RAJ MOHINDER SINGH MAJITHA:

(a) whether Government have decided to constitute a National Power Project Management Board, for ensuring construction of power projects during the Eleventh Five Year Plan;

(b) if so, when this decision was taken;

(c) by when this Board is likely to be constituted; and

(d) whether this Board would also identify those responsible for not completing the said projects within the stipulated period?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) It is proposed to set up a National Power Project Management Board (NPPMB) for monitoring the progress and to ensure timely commissioning of the capacity addition and associated transmission projects.

(b) This decision was taken at the Conference of Chief Ministers of States and Union Territories held on 28th May, 2007.
